CAPABILITY STATEMENT

Company Review

Lampl Herbert Consultants is a natural resource-focused, woman-owned small business based in Tallahassee, Florida, since 1978. LHC works with clients in public, private, and non-profit sectors, providing pathfinder and technical services in public policy arenas, regulatory processes, research institutions, business settings, and community venues. Professional inhouse expertise includes strategic communication, geology, environmental science, and people sciences. LHC maintains a Family of Contractors to expand capabilities on a project-by-project basis.

Mission

Lampl Herbert Consultants (LHC) works side-by-side with Clients to navigate, develop relationships, and get things done in public policy arenas, regulatory settings, research inquiries, business venues, and communities.
